BCLP PARTNER QUOTED IN 'GLOBAL DATA REVIEW' ON NEIGHBORHOOD HEALTHCARE RULING

Sep 21, 2022

BCLP Partner Dan Rockey, co-leader of Data Privacy, Telecommunications & Collections, was quoted Sept. 16 by *Global Data Review* (subscription required) on the United States District Court for the Southern District of California ruling that Neighborhood Healthcare is immune from suit in a putative class action alleging violations of California's Confidentiality of Medical Information Act (CMIA). Dan noted the case will have a wide impact. "This decision holds that the US government must assume any liability for a data breach and therefore frees health centers to focus on patient care," he said.
