PARTNERS PRESENT AT TULANE ENTERTAINMENT AND SPORTS LAW CONFERENCE

Apr 06, 2024

On April 6, BCLP Partners Anne Friedman and Doug Mishkin will present at the 2024 Tulane Entertainment and Sports Law Conference, an annual event that brings together many of the most influential lawyers and executives in the entertainment and sports industries to discuss the dynamic changes reshaping sports, media, and entertainment. Anne and Doug will be joining a panel presented by the Tulane Freeman School of Business titled “The Cutting Edge: An Overview of Legal & Business Issues in Sports, Technology, and Gaming.”

In addition to practicing as a member of BCLP’s Sports & Entertainment Group, Anne is a founding member of the firm’s Artificial Intelligence (AI) Working Group, with a focus on the integration of technology transactions, commercial contracts and sourcing platforms.

Doug specializes in U.S. gaming and sports betting transactions on behalf of professional sports leagues and teams, having handled every major gambling-related deal in his previous role at the NFL (including the league’s first casino, daily fantasy sports and sports betting sponsorships, slot machine license, and sportsbook data and live video distribution deals).

This conference is open to the public and free of charge.
